Books of these rules will be circulated around the tournament floor or contact your state administrator for a copy. Weight must be filled in on the registration form if you compete in sparring. If a fighter's weight is in question that fighter's weight will be checked and verified.

POWER BREAKING:

There will be one hand and one foot power break. The hand break will be concrete tile; the foot break will be wood. Individual competitors determine the number of boards or tiles they desire to break. You will only have one try. If you touch the boards with a breaking tool at any time, it is considered a try. The competitor must begin and end in a guarding block. Breaking is only open to Red Belts and Black belts ages 13 years old and up.

GRAND CHAMPIONS

To be eligible for grand champion you must be red or black belt rank and 13 years old or older. You cannot have been disqualified during any event.
